

ACTIVITIES  
& EXTRAS  
SASAAB

## SASAAB ACTIVITIES INCLUDED

### GYM

Sasaab has a fully functioning gym complete with free weights, elliptical, exercise bike and TRX. All rooms also have a yoga mat with a post safari stretch card for you to use during your stay designed to lead you through some simple exercises.

### CAMEL RIDES

Sasaab has five resident camels. Guests can enjoy camel rides at any time. Walking with them to our sundowner spot is a particularly popular activity.

### WALKING

Stretch your legs and take the time to appreciate the surroundings, flora, fauna and birdlife. It is possible to enjoy morning bird walks, late afternoon walks with sundowners or half day walks.

### NGUTUK ONGIRON PRIMARY SCHOOL AND CLINIC

This is a small Samburu settlement that has established a primary school with a preschool and early primary and a small clinic. You are welcome to visit the school and clinic and see what happens during a working day. Sasaab is helping the community to develop the educational and health facilities on the group ranch through generous donations.

### MARKET DAY

This is an incredibly colourful assault on all the senses at an authentic Samburu market. Market days usually happen on Wednesdays and Thursdays but can vary, please check with our office if you're interested in doing this.

### GAME DRIVES AND BUSH BREAKFASTS

We have open sided game drive vehicles to ensure maximum game viewing and comfort. They are kitted out with sunscreen, drinks, books, sweets (everything to keep you happy during a game drive). We even have stoves for freshly cooked bush breakfasts including fried eggs or omelettes and pancakes cooked to order.

### BUSH DINNER

Enjoy a delicious dinner at our secluded bush dinner spot under the African sky. This activity is subject to availability and may not always be possible.

### FLY CAMPING

For the adventurous we are able to set up an expedition camp so guests can have the chance to experience something truly wild. Advanced notice is required.

### SUNDOWNERS

Sundowner Rock in the Westgate Conservancy is a legendary sundowner spot that is bound to leave a lasting memory.

### GET ARTY ON SAFARI

Each tent has a watercolour set and artist pad for you to use during your stay. Get creative in Sasaab's idyllic, artistic surroundings and paint the unique scenery, wildlife, flora and fauna.

## SAMBURU MANYATTA VISIT

It may be possible for you to visit one of our neighbouring villages to gain an insight into the fascinating culture of the Samburu people and how they survive in this harsh environment. The best time to visit is either in the early morning as the manyatta awakes and herds leave for the day to graze, or late afternoon as they return. The visit is dependent on the Samburu elders and each visit must be individually arranged with the lodge during your stay.

## SASAAB ACTIVITIES EXCLUDED

### QUAD BIKING

For the adrenaline junkies we have four quad bikes available to use. A quad biking excursion is the ultimate in holiday freedom. Have loads of fun as you explore the Samburu wilderness. We can tailor a quad expedition complete with overnight camp out (advance notice is required). Quads can be enjoyed starting from US\$ 35 per person per hour. This fee is directly put into our community and conservation projects.

### TREATMENTS IN OUR AWARD WINNING – SPASAAB

We offer a selection of massage and beauty treatments designed to restore your body's natural balance and soothe away your stresses.
