DONATE A DESK

HELPING HANDS SAFARI

**“EDUCATION IS THE MOST POWERFUL WEAPON
WE CAN USE TO CHANGE THE WORLD.”**

- Nelson Mandela

Schools in Tanzania are in a desperate need for desks, it is common to see 3 or 4 children sharing a desk. By making a very small contribution, guests can make a profound impact on someone's education.

Visitors can donate a school desk, engraved with their own special message and personally deliver it to the school whilst staying at Gibb's Farm.

The material is purchased locally and our carpenters expertly build the desks to specifications after which they carefully engrave the guest's message by hand. Guests are welcome to join our carpenters for an afternoon in the workshop and assist with the crafting of the desks.

When delivering the desks to the school, the headmistress will conduct a tour of the school and there will be a small ceremony followed by some playful interaction with the children.

Cost: US\$ 70 per desk. This amount covers the costs of the material and the labour is sponsored by Gibb's Farm.

We require advance notification of the intent to donate a desk for anyone who would like to be present when the desks are delivered. Alternatively desks can be delivered after their stay.

PLEASE TAKE NOTE:

- We suggest that guests stay for a minimum of 3 nights if they would like to participate in delivering the desks to the school. This affords them enough time to visit the school and also be able to take part in other farm activities.
- Please allow at least 2-3 hours for the school visit, including traveling time to and from the school.
- Restrictions may apply during school holidays.
