**COMMUNITY AND CULTURAL EXPERIENCES**

Speak to our team regarding the wonderful cultural experience on offer at Gibb's Farm. A visit to the local school or a cycle tour into the town of Karatu can be arranged.

**DONATE A DESK**

Contribute to new school furniture, distributed through the Karatu Education Fund. At schools in the area, three to four children typically share one desk, so new furniture is always appreciated. This is a very rewarding way to participate in village life and to support children's education.
