

CHIAWA CAMP & OLD MONDORO

ZAMBIA: Lower Zambezi National Park – What’s the difference and why combine?

For years guests have combined Chiawa Camp & Old Mondoro when on safari in the Lower Zambezi National Park to make the most of this stunning reserve, full of diversity. Both camps are renowned as being at the top of their game and offer contrasting yet complementary safari experiences. Using the Best of Both Worlds offer provides excellent value, comprehensive quality and opportunity to enjoy all the variety LZNP has to offer in different habitats.

“Why combine the camps?” I hear some ask – here are my reasons:

	CHIAWA CAMP	OLD MONDORO
DIFFERENCES	<ul style="list-style-type: none"> 8 large suites & 1 safari suite with indoor & outdoor showers, roll top bath, large deck & lounge area. Large pool overlooking the Zambezi River. 2 viewing platforms in camp overlooking Mana Pools with telescopes for excellent wildlife viewing. 2 photographic hides within camp (only camp in the Lower Zambezi to offer these). Cross-fit inspired gym overlooking the river. Wi-Fi in each of the tents. 	<ul style="list-style-type: none"> 4 suites & 1 family suite (2 identical en-suite rooms under one roof) - the smallest camp in the Lower Zambezi, with the only family suite (when in use, one single suite is closed to ensure the intimacy of the camp). Outdoor bath and shower overlooking the Zambezi River at each suite, with a shaded lounge deck. No Wi-Fi, and simple décor whilst having all that one requires.
SIMILARITIES	<ul style="list-style-type: none"> Access to 11 professional guides and 6 river guides, dedicated to crafting a bespoke safari for each guest Only 4 guests per vehicle Offers a loading “dock” for guests to climb into / out of the vehicle. Similar safari activities on offer include: walking, 4x4 (day and night) safaris, canoeing, tiger fishing High quality bed linen and towels Strong conservation pedigree: founder members of Conservation Lower Zambezi, first camps in Africa certified carbon neutral, first to ban plastic water bottles and supply their own, innovating new ideas to reduce the footprint of our activities such as our unique two spotlight night drives - one red light for finding and viewing the wildlife which ensures much more natural interactions, and the soft filtered white light for photography. 	
SAFARI EXPERIENCE	<ul style="list-style-type: none"> In addition to the above, Chiawa also offers a boat cruise for guests to enjoy lunch on and private dinners on the sandbars in the Zambezi River. Well-known for the myriad of channels which make canoeing some of the best in Zambia. High number of lion in the area. More activities within camp - gym, pool, lounge area & viewing platforms each surrounded by wildlife. 	<ul style="list-style-type: none"> One of the best walking areas due to the different habitat, with wide open areas. Frequent and consistent leopard sightings in the area. Relaxed camp area on the edge of the river. A more traditional bushcamp safari experience.
SEASON	Open 24 April - 21 November	Open 24 April – 14 November
