International flight access: Kenneth Kaunda International Airport

Accessing Zambia is simple, with international flights arriving from Dubai, Istanbul, Johannesburg, Nairobi and Addis Ababa among others. These hubs create seamless connections from across the world into Lusaka, the capital and largest city of Zambia.

However, what may be surprising, is the various direct connections between Lusaka and other African experiences, such as Kigali (for mountain gorillas), Nairobi (Kenya safari), Dar (Tanzania beach), Windhoek (for all of the great offerings in Namibia).

We have compiled a list of international flights to/from Lusaka. Please note that these are subject to change without notice. Always enquire with the airlines before confirming accommodation.
